

Looking for a 100% guarantee that you'll never have to worry about your wall again? **Look no further!**

Unlike a typical warranty that only provides replacement product, InvisiBeam by Fortress is an unprecedented level of confidence that simply says: If our system fails, we'll reimburse **DOUBLE** the cost of your installation so you and your contractor can do whatever it takes to get it right.

The Certification is good for the life of the wall(s) on which InvisiBeam by Fortress was installed, and is transferable to future homeowners. This means that if you decide to sell your house, any realtors, inspectors, and buyers can have that same level of confidence that you have.

**When talking about your home's foundation,
nothing matters more than peace of mind.**

INVISIBEAM™
MADE BY FORTRESS

THE DETAILS:

1. InvisiBeam by Fortress must be properly installed by an authorized Fortress Contractor in order to address the problems the system is intended to solve: wall bowing, and/or tipping, and/or shearing resulting from exterior pressure on the wall.
2. The InvisiBeam straps must be installed according to our spacing guidelines with a maximum spacing between straps not to exceed 48”.
3. All Carbon Straps are secured with both a top and bottom anchor.
4. Only Fortress provided carbon, epoxy, anchors, and other components have been used in the installation.
5. Any existing settling issues or wall deterioration have been resolved that could prevent InvisiBeam by Fortress from fulfilling its intended purpose.
6. Extreme circumstances did not cause damage following the Fortress Installation including but not limited to: flooding, fire, erosion, collision or construction to the wall.

Reimbursement shall be paid to installing contractor equal to the installed cost of each failed strap.
